

# SURFACE CLEANER WARRANTY

## WARRANTY

The rotary head is covered by a 6-month warranty against manufacturer's defects from the date of purchase. During the warranty period, if there are any problems with the rotary head, contact the seller for warranty evaluation. The part may need to be shipped to the seller or manufacturer for further warranty evaluation. If the rotary head is determined to be defective, it will be repaired or replaced per the manufacturer's discretion.

The nylon brush ring is not covered under any warranty.

All other components of the surface cleaner are covered under a 30-day warranty against manufacturer's defects from date of purchase. These items will be replaced if it is determined they were defective due to manufacturer's defects.

Shipping of items to and from the seller or manufacturer is not covered under the warranty.
